Dear Families:

The State of Colorado passed a law in 2003 requiring public schools to provide parents and guardians with a statement about how they can access information regarding registered sex offenders in their law enforcement jurisdiction.

The sex offender registry provides the public with certain information on the whereabouts of sex offenders so that members of local communities may better protect themselves and their children from these known sex offenders.

In Jefferson County, parents and guardians can request the sex offender registry by contacting your local law enforcement agency. Registry information is released to any person 18 years or older residing or doing business in the law enforcement agency's jurisdiction. You can also check the Colorado Bureau of Investigation (CBI) website - <http://sor.state.co.us> - that contains a statewide list of certain high-risk registered sex offenders.

In addition, the Colorado Sex Offender Management Board publishes the School Resource Guide to Sex Offender Registration, including information about the list itself and facts about sex offenders. Access this link for a copy of the resource guide:

We hope this information is helpful to you.

Sincerely,

BOBBI MCKIM ENNEKING
